8<sup>th</sup> April 2021

Dear College Community

At CTC, we are now enjoying the Easter break and have seen the first signs of summer, with longer, lighter evenings and some warm, most welcome, sunny days with the highest March temperatures since the 1960s.

Hopefully this a time when better news continues to come and globally things start to return to a more normal way of life for us all. Here in the UK we have vaccinated over 30 million people and are continuing to come successfully out of lockdown.

To this end, we all need to continue to follow the UK Government guidance:

<https://www.gov.uk/coronavirus>

This is continuously being updated and everyone should ensure they understand the current guidance and regulations in place.

In educational establishments, we are in addition expected to follow:

<https://www.gov.uk/coronavirus/education-and-childcare?priority-taxon=774cee22-d896-44c1-a611-e3109cce8eae>

Here at CTC this also means that we continue to support the measures put in place with the Lateral Flow Testing programme and test ourselves twice a week continually throughout this holiday period and for now, beyond.

Everyone should therefore be testing themselves twice a week with their home testing kit, additional supplies are available in College, please come and collect a pack if needed.

You need to advise the College of the date that you tested and the result: negative - void - positive, there is no need to send a photo of your test result. Please also upload the result to the NHS test and trace website following page 15 of the blue self-test instruction booklet, a copy of which is attached. The College ID Test Site is CTCB if needed.

**Remember to:**

- Test twice per week on a Sunday night or Monday morning and again on a Wednesday night or Thursday Morning
- Upload the results to the NHS test and trace <https://www.gov.uk/report-covid19-result>
- Advise college of the result by emailing [testing@ctc.ac.uk](mailto:testing@ctc.ac.uk)

The end of Spring Term 2021 reports can now be viewed online. Please let us know if you need assistance in logging in or if you require a copy of the report by sending us an email at [info@ctc.ac.uk](mailto:info@ctc.ac.uk)
